Summary: A mono/poem from Tobias's point of view.

I Just Wanna Fly

I Just Wanna Fly

~

I just wanna fly.

Fly far away from here.

Leave it all behind me.

Just spread your wings Tobias.

Let it all go.

I just wanna fly.

Fly to a better place.

A place far from here.

A place without war.

Without Rachel.

Without all of them.

My friends, my enemies.

And Rachel.

The one I love, The one I hate.

Spread your wings Tobias.

Let it all go.

I just wanna fly, someday.

~

I think that's my first fic from Tobias's point of view. Love it? Hate it? Let me know. Also, I know the format is a bit off, but I'm still trying to figure out my new computer.
